

## Recent major projects - I&E services

Year completed	Scope	Industry sector	Region
2021	Winter shutdown instrumentation service programme	Dairy	Otago
2021	Annual shutdown instrumentation & electrical maintenance	Petrochemical	Waikato
2021	Winter shutdown instrumentation service programme	Dairy	Southland
2021	Routine instrumentation & electrical maintenance	Petrochemical	Taranaki
2021	Routine instrumentation & electrical maintenance	Upstream oil/gas	Taranaki
2021	Control valve maintenance audit	Dairy	Southland
2021	Winter shutdown instrumentation service programme	Dairy	Southland
2021	Instrumentation commissioning of a wellsite facility	Upstream oil/gas	Taranaki
2021	Multi-discipline construction engineering and project management	Upstream oil/gas	Taranaki
2021	Routine electrical maintenance programme	Port	Taranaki
2021	Hazardous area electrical inspection of a brownfield gas production station expansion	Upstream oil/gas	Taranaki
2020	Winter shutdown instrumentation service programme	Dairy	Otago
2020	Annual shutdown instrumentation & electrical maintenance	Petrochemical	Waikato
2020	Winter shutdown instrumentation service programme	Dairy	Southland
2020	Multi-discipline construction engineering and project management	Upstream oil/gas	Taranaki
2020	Routine electrical maintenance programme	Port	Taranaki
2020	Winter shutdown instrumentation service programme	Dairy	Southland
2019	Winter shutdown instrumentation service programme	Dairy	Otago
2019	Instrumentation maintenance procedure review	Dairy	Southland
2019	Routine electrical maintenance programme	Port	Taranaki
2019	Winter shutdown instrumentation service programme	Dairy	Southland
2019	Annual shutdown instrumentation & electrical maintenance	Petrochemical	Waikato
2019	Winter shutdown instrumentation service programme	Dairy	Southland
